

**ENGLISH FOR PROFESSIONAL PURPOSES I (BELH 2003)**  
**SEMESTER III TERM I 2024-25**

**Module 1: Determiners [Practice Sheet]**

**Answer Key**

**SECTION A:**

1. **Some** research findings from **those/the** recent studies have shown that **the** data collected by engineers is often more reliable than **the** data obtained through surveys.
2. If **any** student in **the** class fails to submit **their** project on time, they will not receive full credit.
3. **Many** innovations in technology, particularly in AI, have led to **a** rapid increase in efficiency across **most** industries.
4. **All** engineers are trained to consider **all** possible variables before designing **a** system.
5. **Some** knowledge of programming languages is essential for **all** computer science students, but **the** hands-on experience is what makes **the** difference.
6. **The** research conducted by the team indicated that only **few** variables were relevant to **the** outcome of the experiment.
7. **The** more data points you have, **the** more accurate your analysis will be.
8. In **an** advanced system, each component must be tested individually before **the** system is assembled.
9. **Each** step in **the** process must be followed precisely to ensure **a** successful outcome.
10. **Most** recent developments in renewable energy are **more** promising than **those** from the last decade.

**SECTION B. Fill in the blanks with the most appropriate determiner(s) from the options provided. Consider the context of each sentence carefully.**

11. **\_EACH\_** [Every / Each / The] of the engineer trainees involved in the project had to revise **\_THEIR\_** [their / those / the] calculations after **\_SOME\_** [a/ some / any] unexpected variables were introduced.

12. **\_\_EACH\_\_** [a lot of / each / some] artist in the gallery had the work featured in **\_\_THE\_\_** [the / any / those] prestigious exhibition last year, highlighting **\_\_THEIR\_\_** [the / their / each] unique style and perspective.
13. **\_\_A FEW\_\_** [A few / The / Few] assumptions made during **\_\_THE\_\_** [an / the / some] initial phase of the design process were based on **\_\_THE\_\_** [the / a / these] outdated data models.
14. **\_\_MANY\_\_** [Few / The / Many] studies have shown that **\_\_A / THE\_\_** [the / a / every] method of therapy can be effective for **\_\_SOME\_\_** [a / some / the] mental health issues if applied consistently.
15. In **\_\_ALL\_\_** [each / all / any] subsequent simulations, **\_\_EVERY\_\_** [every / any / the] minor flaw was magnified, showing **\_\_THE\_\_** [the / many / a] potential impact of **\_\_ALL\_\_** [those / all / every] small errors.
16. **\_\_MANY\_\_** [Many / a lot / more] of components require **\_\_SOME\_\_** [some / each / the] special handling due to **\_\_THE\_\_** [the / an / those] extreme operating conditions they will face.
17. **\_\_THE\_\_** [The / Few / Many] research papers published recently emphasize **\_\_THE\_\_** [any / some / the] need for **\_\_AN\_\_** [a / an / the] interdisciplinary approach to solve **\_\_THESE\_\_** [these / every / some] complex engineering challenges.
18. **\_\_ALL / THE\_\_** [All / Any / The] data obtained through the sensor network was processed to identify **\_\_SOME\_\_** [some / the / a] patterns that could lead to **\_\_NO DETERMINER\_\_** [no determiner / the / those] more efficient algorithms.
19. **\_\_ALL\_\_** [Lots of / Each / All] historical landmarks in the city are preserved with **\_\_NO ARTICLE\_\_** [no article / some / the] utmost care to maintain **\_\_THEIR\_\_** [their / a / the] cultural heritage and historical significance.
20. During **\_\_EACH\_\_** [each / every / some] iteration, **\_\_THE\_\_** [the / those / half] errors were carefully logged, allowing **\_\_THE\_\_** [a / every / the] debugging team to track **\_\_ALL\_\_** [those / every / all] issues more effectively.
21. **\_\_ANY\_\_** [The / These / Any] engineer who proposes a solution must ensure that **\_\_ALL\_\_** [those / all / the] requirements are met without exception, as **\_\_ANY\_\_** [any / each / some] deviation could lead to system failure.
22. In **\_\_A\_\_** [a / an / any] rapidly changing technological landscape, **\_\_THE\_\_** [every / an / the] adaptability and **\_\_A\_\_** [the / a / some] willingness to innovate become key to success.
23. **\_\_THE\_\_** [The / Some / Each] feedback received from **\_\_SOME\_\_** [the / every / some] participants was invaluable for improving **\_\_THE\_\_** [a / the / those] upcoming events and initiatives.

24. ALL [All / Each / The] of the options presented for the new design come with SOME [a / every / some] trade-offs, and THE [the / any / every] choice made should be based on THE [those / the / some] detailed cost-benefit analysis.

25. Which of the following sentences correctly uses a central determiner?

- a) She gave her both colleagues detailed instructions.
- b) Both the students presented an excellent project.**
- c) All information must be submitted before the deadline.
- d) Three their research teams discovered a new phenomenon.

26. In which of the following sentences is the central determiner used incorrectly?

- a) An innovative solution was proposed during the meeting.
- b) Every engineer must attend the safety briefing.
- c) The project's objectives were clearly defined.
- d) The each student received a copy of the syllabus.**

27. In which of the following sentences is the Pre-determiner used correctly?

- a) Twice the effort was required to complete the task.**
- b) Half of the designs were approved.
- c) Many of the data points were outliers.
- d) Some of the students were absent.

### **SECTION C. Unscramble these sentences to give order to pre, central and post Determiners-**

1. are complaints matter alone one about more several this there
2. All every second these three day surgical dressings be changed have to
3. amount food needed people times for of all that those three they
4. take hours tablet a every four half
5. all few first the those worse were rest than days
6. age husbands were Mary's both her twice two last
7. at because it's now disgraceful half get double a you the packet price
8. one one ones you the dozen as for could little big same several price get

### **SECTION C -- ANSWERS:**

- 1. There are several more complaints for this one matter alone.**
- 2. All these three surgical dressings have to be changed every second day.**
- 3. They needed three times that amount of food for all those people.**
- 4. Take half a tablet every four hours.**
- 5. Those first few days were worse than all the rest.**
- 6. Mary's last two husbands were both twice her age.**
- 7. It's disgraceful because now you get half a packet at double the price.**
- 8. You could get several dozen little ones for the same price as one big one.**

**SECTION D. In each of the questions given below, there are two segments labelled as (P) and (Q). Mark your answer as per the letter codes provided below:**

- A. Both P and Q are correct.
- B. Both P and Q are incorrect.
- C. P is correct but Q is incorrect.
- D. P is incorrect but Q is correct.

- (P): some time (Q): some people -- **A**  
 (P): a great deal of people (Q): a great deal of patience -- **D**  
 (P): either men (Q): neither of the men -- **D**  
 (P): one-third city (Q): one -third time -- **A**  
 (P): the all year round (Q): all the year round -- **D**  
 (P): half the butter (Q): both the book **C**  
 (P): little evidence (Q): few evidence --**C**  
 (P): twice the expense (Q): double the expense -- **A**

**SECTION E. Some parts in the following sentences have errors and some are correct. Find out which part has an error and mark that part as your answer. If there is no error, mark 'No error' as your answer.**

1. I will not (A)/ **have some answers (B)** / for your questions(C)/ No error (D).
2. Almost all (A)/ my time (B)/ is spent on collecting books(C)/ **No error(D).**
3. Every person (A)/ has to shape (B)/ his/her own career (C)/ **No error (D).**
4. Everyone takes (A)/ **little time (B)** / to settle down at a new job (C)/ No error (D).
5. Her achievement (A)/ has been attracting (B)/ a great deal of attention (C)/ **No error (D).**
6. I will tell (A)/**mine own story (B)**/of success (C)/ No error (D).
7. Both (A)/the sisters (B)/ refused to go to the party(C)/ **No error (D).**
8. What kind of (A)/a person (B)/ are you? (C)/ **No error (D).**
9. Aryan wrote (A)/**much of his poems (B)**/ when he was young(C)/ No error (D).
10. I want (A)/my many (B)/ friends to join me on my birthday(C)/ **No error (D).**
